

# Series

Ultra Reclining Economy Class seat

# 3

The Ultra series of seats adds a reclining backrest and high-level literature pocket to the Acro monospar chassis, resulting in a more elegant solution aimed at the full service carrier.

With two inches more legroom than conventional seats at the same pitch and the lowest operational costs of any aircraft seat, it meets all the needs of the hardworking aircraft operator.

## Key benefits

- Comfort
- Robust
- Easily maintained
- Lightweight
- Price

## Certifications

- ETSO/TSO C39b (9g)
- ETSO/TSO C127a (16g)
